

General Features:

1. Outer Mantle: For increased heat insulation.
2. Ash Tray: For ease of cleaning.
3. Stick Shelf: For fuel placement.
4. Heat-Resistant Handles: Rubber handles on the stove and pot for added insulation.
5. Steam Vent: The built-in hole in the lid enables steam to be released.
6. Finish: Machine polished finish.

STOVE PHYSICAL CHARACTERISTICS	
Dimensions D x H	330mm x 295mm
Mass	2.975kg
Stove Material	430 Stainless Steel
Handle Material	Heat Resistant Rubber
POT PHYSICAL CHARACTERISTICS	
Dimensions D x H	270mmx230mm
Mass	1.134kg
Pot Material	430 Stainless Steel
Handle Material	Heat Resistant Rubber
